Clerk to the Legislative Council Panel on Public Service  
Legislative Council Complex  
1 Legislative Council Road  
Central, Hong Kong  
(Attn.: Miss Mary SO)

Dear Miss SO,

**Panel on Public Service**  
**Follow-up action to meeting on 16 March 2015**

I refer to the follow-up action to the Panel on Public Service (PS Panel) meeting of 16 March 2015, in which the Administration was requested to revert on assistance to the employees of the default contractor previously engaged by the Leisure and Cultural Services Department (LCSD) to provide public library service.

You may wish to note that the Panel on Manpower discussed on 21 April 2015 an agenda item on “Government policy relating to the outsourcing of service contracts and protection for staff of public libraries service contractors”, under which a motion was carried urging the Financial Services and the Treasury Bureau to expeditiously settle the issue of wage defaults in connection with the outsourced libraries services of LCSD. Since the same issue has been discussed in detail with a motion passed by the Panel on Manpower, we consider it more appropriate that the same be followed up direct by the Panel on Manpower and suggest removing this item from the list of follow-up actions of the PS Panel.

Yours sincerely,
