LegCo Subcommittee on Matters Relating to Railways visits MTR Admiralty Station (with photos)

The Legislative Council Subcommittee on Matters Relating to Railways conducted a visit to MTR Admiralty Station this evening (19 May) to observe the conditions of the train compartments and platform during peak hours.

Members of the Subcommittee first received a briefing on crowd control by Dr Jacob KAM, Operations Director of the MTR Corporation Limited. They then observed passengers waiting for boarding at the platform to better understand the conditions of the train compartments and platform during evening peak hours.

Members who participated in the visit included Hon CHAN Han-pan, Chairman of the Subcommittee, Hon Paul TSE Wai-chun, Hon Michael TIEN Puk-sun, Hon Gary FAN Kwok-wai and Hon Tony TSE Wai-chuen who are Subcommittee members, as well as Hon YIU Si-wing who is a non-Subcommittee member.
