Dear Chairman,

Re: Application for Late Membership

I am writing to request approval for joining the Bills Committee on Inland Revenue (Amendment) Bill 2016.

I would be very grateful if you would accept my belated application as I have a strong interest in matters relate to identification of reportable accounts held by tax residents of reportable jurisdictions and collection of relevant information associated with these accounts.

Last but not least, I would like to apologize for any inconvenience caused due to my late application. Your agreement would be greatly appreciated.

Yours sincerely,

Regina Ip
