Mr Raymond Szeto

Dear Mr Szeto,

Professional Services Advancement Support Scheme (PASS)

At the meeting of the Finance Committee (FC) held on 12 July 2016, a Member requested the list of professional organisations that have received financial support from the Professional Services Development Assistance Scheme (PSDAS) with details on their development directions as seen in their applications for assistance under PSDAS. Such information may be useful for future applicants of PASS.

A list of the 108 PSDAS grantees is at Annex. As we explained at the FC meeting, details of the 275 projects they completed have been uploaded onto PSDAS' website at www.psdas.gov.hk for public information. These include project reports which cover project objectives (e.g. market promotion, capacity building and research), funding approved, implementation accounts, project deliverables, participants and expected beneficiaries, promotional activities, result dissemination, project achievements, etc. Potential PASS applicants are most welcome to browse the website to understand such development directions in their respective professional services sectors, and approach the scheme secretariat of this Bureau for further details.

Yours sincerely,
