Dear Hon Councillors,

Please see Devb's reply to our petition, it would appear the Administration officer of the Department is still using the Colonial style management to deal with our complaints. Grateful to offer assist us, as those officers does commit the violation of HK Law Ordinance as well as Basic Law stipulation.

By copy of this mail, would Dr. C.Y. LEUNG confirm if you are agreeable to Devb's reply to our petition. The arrear land premium requirement had not been given at the Invitation for purchase the flats, also it did not give at the notice to the successful applicants either. The imposition of the so called arrear land premium payment requirement was made known to us after 17 years of the occupation of the property purchased by us, is it a correct administration by the Colonial HK Government?

Residents of GBHS (Lung Cheung Court)
