14 March 2016

Dear Sir

**Panel on Development
Administration's paper on Staffing Proposal relating
to the establishment of the Project Cost Management Office
under the Works Branch of Development Bureau**

I refer to the LegCo discussion paper no. CB(1)653/15-16(03).

2. Noting that the construction project covers civil and building works and it involves multi-discipline team including architect, surveyor etc., the post should be a multi-disciplinary in nature and open to Hong Kong Institute of Surveyors, Hong Kong Institute of Architects and Hong Kong Institution of Engineers as all three professions are well trained and experienced in construction works and budget related matters. I have found no reason why all the proposed posts are only open to Engineers!
3. If you have any query, please contact the undersigned at 2626 1432.

Yours faithfully

Anderson C.B. CHAN
(Chairman of BDLBSA)
