**Subject:** TSA must stop

---

Dear Sir/Madam,

I am father of two sons, now my kids is suffering from TSA exercise, I think most of world today not willing to push primarily school students to having such complexes exceciris, is worthless and waste time. Our next generation must growth with new ideas, now working as slavery worker level.

TSA should be no long exit

If we want completion with Singapore or Korea. We must create a place not only for financial industry, but all aspects of industry.

Don't waste our life time only on examination.

bring hope to our next generation.
