**Panel on Education**

**Motion passed under the agenda item  
“Issues related to the suspension, continuation or abolition of  
the Territory-wide System Assessment” on 11 January 2016**

**Response from Education Bureau**

**Response to motion proposed by Hon Ip Kin-yuen**

The Coordinating Committee on Basic Competency Assessment and Assessment Literacy (the Committee) and its working groups comprise experts from the tertiary institutes, primary school council representatives, members of different school sponsoring bodies, school heads and teachers of secondary and primary schools, as well as member from the Committee on Home-School Cooperation. In conducting the review on the Territory-wide System Assessment, members have collected views from different stake holders through various means. In the discussion process, members maintain an open-minded attitude and do not preclude suggestions of any kind. Different views on the various implementation proposals will be considered. The Committee will submit a report and recommendations to the Education Bureau in early February 2016.
