Notes:

- Since some UGC-funded programmes are mapped to more than one academic programme category (APC), students of these programmes are counted across the APCs concerned on a pro rata basis. The student numbers which are decimal figures are rounded to the nearest whole number. Hence, figures may not add up to the corresponding totals owing to rounding.
- Research postgraduate figures include only students funded by UGC within normal study periods.
- The place of origin of non-local students is determined having regard to their nationality.
- To tie in with the implementation of the new academic structure, UGC-funded universities have admitted two cohorts of students under the old and new academic structures in the 2012/13
- '0' denotes value of less than 0.5.
- '-' denotes 'nil'.
- The Hong Kong Institute of Education (HKIEd) was re-titled as The Education University of Hong Kong (EdUHK) with effect from 27 May 2016.
