Dear Joanne,

Panel on Home Affairs

Proposed special meeting on 27 June 2016 at 2:30 pm

Thank you for your letter dated 8 June 2016.

The purpose of our recent submission for the meeting on 17 May 2016 was to report on the outcome of the public consultation on the review of the Building Management Ordinance (Cap 344). We note that the HA Panel has received views from deputations on the proposals put forward in the consultation document in January 2015. Their views formed part of the outcome of the public consultation. The Government will carefully consider the consultation outcome when firming up the legislative proposals. We will consult the Panel again when these proposals are available. We believe it would be more meaningful for the Panel to invite views from deputations again at that time.

Yours Sincerely,
