Discussion of the Commission on Poverty on Retirement Protection

Purpose

This paper briefs members of the Subcommittee on the discussion of the Commission on Poverty (CoP) on retirement protection.

The CoP Meetings

2. Six CoP meetings were held between end-October and end-November 2015 (27 October, 2 November, 14 November, 17 November, 24 November and 30 November respectively) to continue discussion on retirement protection.

3. Having regard to the CoP members' discussions on the framework and content of the consultation document at previous meetings, the CoP Secretariat prepared a draft version of the consultation document. After the six meetings mentioned above, the CoP has completed deliberations on the contents of the consultation document on the whole and will finalise the text shortly. Members noted that the Secretariat will work towards completing the preparation work with a view to launching the public consultation before the end of December 2015.

Conclusion

4. Members of the Subcommittee are invited to note the content of this paper.
