Bill Committee On Protection of Endangered Species of Animals and Plants

Honourable Chair and Members

Please do not hesitate. The time has come to ***Ban Ivory Trade*** in line with the decisions made by our Central Authorities: end 2017 and ***with NO compensation for traders***. The traders had enough time to consider the viability of their trade and reduce their stock. Moreover, compensation will result in more elephants and rangers dying.

The time has come.

Thank you,

Gloria Chau
