To Mr. Kenneth Leung, Chairman of the Bill Committee on Protection of Endangered Species of Animals and Plants (Amendment) Bill 2017:

Mr. Kenneth Leung,

our association is pleasantly surprised to hear that Hong Kong is going to ban the trade in ivory. However, we ask you urgently to ban the trade now, not in some years. Please help elephants to survive and support a complete ivory ban now without any compensation payments to the traders!

Thank you in advance.

Sincerely,
Susan Baetz/ vice-chairman
