

Ban of the ivory trade

Dear members of the Legislative Council,

Ban of the ivory trade

My name is Ho Wai Kee, I would require HKSAR to ban the ivory trade immediately as there are more than 20,000 elephants are being killed annually.

We can't wait and help to rescue Elephants and I would like my kids can see Elephants in the future. Not only their teeth being showed in the trade shop.

Yours sincerely

Ho Wai Kee
