Dear members of the Legislative Council,

An immediate ban of the ivory trade

I am very disappointed to hear that it is still not happening to completely ban of the ivory trade in Hong Kong. It is no doubt that it is cruel, unnecessary and is an inhumane way of running Ivory trade business.

I hope and really wish all the council members to vote and support banning of the ivory business.

Thank you for the consideration.

King Regards,

Hi there,

Hong Kong should immediately ban of ivory trade. Elephants are smart and friendly. They should NOT go through this suffer and I urge government passes the law of banning ivory trade.

Regards,
