To whom it may concern,

I hope this email finds you well! I am Nicholas Ng a student from an international school in Hong Kong, SIS.

I am writing to you to kindly express my support for the ivory ban in Hong Kong in light of the Legco debate for the ban next Wednesday, a topic which I was introduced to in a new documentary "The Ivory Game" which concerns aspects of ivory trade in Hong Kong.

I believe this is our city and we should not put up with this terrible image of being the most popular ivory market in Asia, let alone this barbaric trade going on under our noses. Hence, I also believe that specifically, there should be NO compensation to the traders.

Thank you so much for your time!

Best regards,

Nicholas Ng, aged 15
