Dear Sir/ Madam,

This is Chen Yitian 陳一添(HKID: [REDACTED]). I am writing to express my opinion on ivory trade. I want Ivory Trade to be banned and that the traders should not be compensated.

I am concerned with ivory trade which involves violence, as we can see from the recent murder of South African wildlife conservationist Wayne Lotter. This is indeed a bloody business. I believe you are empowered and in a position to make a positive change on this issue.

Let me reiterate my opinion that I want Ivory Trade to be banned and that the traders should not be compensated.

Thank you very much.

Best Regards,

Chloe
