

Bills Committee on Private Healthcare Facilities Bill

**List of follow-up actions required of the Administration
arising from the discussion at the meeting on 13 February 2018**

The Administration was requested to:

- (a) provide, when available, for reference of the Bills Committee a copy each of the working drafts of the codes of practice to be issued by the Director of Health under clause 102 for compliance with by day procedure centres and clinics in respect of the regulatory standards of the facilities concerned; and
- (b) in respect of its proposal to exclude from the Bill any facility which was managed or controlled by The University of Hong Kong ("HKU") or The Chinese University of Hong Kong ("CUHK"); a day procedure centre, clinic or health services establishment; and primarily used for teaching or research relating to medicine or dentistry, as well as its advice that the 14 existing facilities as set out in the Annex to LC Paper No. CB(2)196/17-18(02) ("the 14 facilities") would meet the above proposed criteria for exclusion,
 - (i) advise the respective fee setting policy adopted by the 14 facilities for those services which required payment of fees and charges; and
 - (ii) advise with examples the general principles governing the composition of the committees or panels that might be formed under the respective complaints management systems and medical incidents reporting and handling systems currently put in place by HKU and CUHK to investigate complaints or medical incidents concerning the 14 facilities.
