Explanatory Memorandum

The main object of this Bill is to settle the legal position regarding whether the common law doctrines of maintenance and champerty apply to third party funding of arbitration and mediation in Hong Kong. The Bill is based on the recommendations made in the Report on Third Party Funding for Arbitration published by the Law Reform Commission of Hong Kong in October 2016 (*LRC Report*).

New Part 10A added to Arbitration Ordinance

2. In particular, clause 3 adds a new Part 10A to the Arbitration Ordinance (Cap. 609) (*AO*). The new Part 10A, which is based on the draft provisions in the LRC Report, contains 6 Divisions.
3. The new Part 10A is intended to come into operation in 2 stages: Divisions 1, 2, 4 and 6 will commence on the gazettal of the Ordinance, while Divisions 3 and 5 will commence on a day to be appointed (see clause 1(2) and (3)). This is to facilitate the preparatory work for the relevant regulatory framework to be done before the provisions clarifying the legal position come into operation.

Division 1—Purposes

4. Division 1 of the new Part 10A states the purposes of that Part. These are to ensure that third party funding of arbitration is not prohibited by particular common law doctrines and to provide for related measures and safeguards (new section 98E).

Division 2—Interpretation

5. Division 2 of the new Part 10A provides for the interpretation of key concepts.
6. Significantly, in the new section 98F—
 - (a) arbitration is given an extended meaning to include not only arbitrations to which the AO applies, but also proceedings before the court, an emergency arbitrator or a mediator that are covered by the AO; and
 - (b) the meaning of *provision* in relation to the provision of arbitration funding to or by a person is also extended to cover the cases where the person arranges for the provision of the arbitration funding to or by another person.
7. The new section 98G provides for the definition of *third party funding of arbitration*, which is central to the new Part 10A—
 - (a) One of the essential features of third party funding of arbitration is that the arbitration funding is provided in return for the third party funder receiving a financial benefit only if the arbitration is successful (new section 98G(1)(d)).
 - (b) Also, the definition of *third party funding of arbitration* excludes the provision of arbitration funding by lawyers and persons providing legal services (new section 98G(2)). This is to avoid any conflict of interest that might arise if those who provide legal services also engaged in third party funding.

8. The new section 98H defines *funding agreement* as an agreement which (among other requirements) is made on or after the commencement date of Division 3 of the new Part 10A. That means funding agreements made before that date are not covered by the new Part 10A.
9. The new sections 98I and 98J define *funded party* and *third party funder* respectively. A person can be a funded party or third party funder whether before, during or after an arbitration.

Division 3—Third Party Funding of Arbitration Not Prohibited by Particular Common Law Offences or Tort

10. Division 3 of the new Part 10A seeks to ensure that third party funding of arbitration is not prohibited by the common law doctrines of maintenance, champerty and barratry (both as to civil and criminal liability).
11. The new sections 98K and 98L declare that those doctrines do not apply in relation to the provision of arbitration funding under a funding agreement as defined in the new section 98H. Notably, that means the legal position regarding funding agreements made before the commencement date of Division 3 of the new Part 10A is not affected. The new section 98M also makes it clear that the declaration does not affect whether a contract is to be treated as illegal for other reasons.
12. Under section 5 of the AO, in general, the AO applies only to an arbitration where the place of arbitration is in Hong Kong. For cases where the place of arbitration is outside Hong Kong or there is no place of arbitration, the new section 98N extends the application of the new Part 10A to these arbitrations but only in respect of funding the costs and expenses of services

provided in Hong Kong. This is to facilitate the third party funding of services provided in Hong Kong in relation to non-Hong Kong arbitrations.

Division 4—Code of Practice

13. Division 4 of the new Part 10A seeks to facilitate the regulatory framework for third party funding of arbitration in Hong Kong.
14. The new section 98O empowers an authorized body (see paragraph 22) to issue a code of practice setting out the practices and standards for third party funders to follow when they carry on activities in connection with third party funding of arbitration. The authorized body may also amend or revoke the code of practice.
15. The new section 98P sets out some of the matters that may be covered in the code of practice, including those regarding funding agreements, internal procedures of third party funders and measures to facilitate monitoring by an advisory body (see paragraph 22).
16. The new section 98Q sets out the process which is to be followed in issuing the code of practice. The process includes public consultation and publishing the finalized code of practice in the Gazette. It applies in relation to an amendment or revocation of the code of practice as well.
17. Under the new section 98R, a person will not incur legal liability simply because the person fails to comply with the code of practice. However, the code of practice will be admissible in evidence in court or arbitral proceedings and any compliance or failure to comply with it may, if relevant to a

question being decided by a court or arbitral tribunal, be taken into account by the court or arbitral tribunal.

Division 5—Other Measures and Safeguards

18. Division 5 of the new Part 10A provides for certain measures and safeguards where an arbitration involves third party funding.
19. The new section 98S allows the communication of confidential information to an existing or potential third party funder and its professional adviser. However, the recipient is then subject to confidentiality requirements.
20. The new sections 98T and 98U deal with disclosure of third party funding. If a funding agreement is made, the funded party must inform each other party and the arbitration body by written notice of that fact and the name of the third party funder within a specified time frame (new section 98T). Similarly, disclosure about the end of a funding agreement is also required (new section 98U). This is to minimize the possibility of conflicts of interest being the subject of a challenge to the arbitration process.
21. The new section 98V makes similar provisions to the new section 98R about the consequence of a failure to comply with the new Division 5. It is not necessary to provide for the admissibility in evidence of the legislation because sections 11 and 98 of the Interpretation and General Clauses Ordinance (Cap. 1) already provide for this.

Division 6—Miscellaneous

22. Division 6 of the new Part 10A contains a new section 98W, which empowers the Secretary for Justice to appoint an advisory body and an authorized body for the purposes of the new Part 10A and provides that the appointments are to be made by notice published in the Gazette.

New section 7A added to Mediation Ordinance

23. Apart from proposing draft provisions to be added to the AO, the LRC Report also recommended that consideration be given to whether to amend the Mediation Ordinance (Cap. 620) (*MO*) at the same time to extend the application of the new Part 10A of the AO to mediation to which the MO applies (*MO mediation*).
24. In response to this, clause 4 adds a new section 7A to the MO, which provides for the application of the new Part 10A of the AO in relation to MO mediation with modifications to adapt the provisions of the new Part 10A to the MO context.
25. For instance, modifications are made to construe references to arbitration and arbitration body respectively as references to mediation and mediator covered by the MO. Certain definitions specific to the AO context are omitted, and references to certain AO provisions are replaced with references to similar provisions in the MO.
