**Waste Disposal (Designated Waste Disposal Facility) Regulation (Amendment of Schedule 1) Notice 2017** (L.N. 74)

Schedule 1 to the Waste Disposal (Designated Waste Disposal Facility) Regulation (Cap. 354L) specifies the designated waste disposal facilities. L.N. 74, made by the Secretary for the Environment under section 8 of Cap. 354L, amends Schedule 1 to Cap. 354L to specify Organic Resources Recovery Centre (Phase 1) ("ORRC1") at Siu Ho Wan, North Lantau as a designated waste disposal facility for the purposes of the Waste Disposal Ordinance (Cap. 354).

2. According to paragraph 4 of the Legislative Council Brief (EP/CID/166/P18/27) issued by the Environment Bureau on 26 April 2017, ORRC1 will primarily receive and recycle food waste generated from the commercial and industrial sectors.

3. L.N. 74 comes into operation on 1 July 2017.

4. As advised by the Clerk to the Panel on Environmental Affairs, the Panel was consulted on the manpower arrangements for the implementation of measures to reduce and recycle food waste including the development of Organic Waste Treatment Facilities at the meeting on 24 October 2016. Members were informed of the Administration's plan to amend Cap. 354L to specify ORRC1 as a designated waste disposal facility in Schedule 1 to Cap. 354L. Members had not raised any comment on this matter.

5. No difficulties have been identified in the legal and drafting aspects of L.N. 74.
