

**LEGISLATIVE COUNCIL
PANEL ON DEVELOPMENT**

**PWP Item No. 3466RO — Improvement of Hoi Bun Road Park
and adjacent area**

**Follow-up Actions Arising from the Discussion
at the Meeting on 23 May 2017**

Supplementary information requested by the Panel on Development on 23 May 2017 is provided below:

(a) the utilization of various types of elderly fitness equipment provided at venues managed by the Leisure and Cultural Services Department;

To meet the needs of the elderly, the Leisure and Cultural Services Department (LCSD) provides over 2 400 sets of fitness equipment for elderly persons in about 460 outdoor leisure venues. As members of the general public enjoy the use of these facilities round the clock freely, LCSD does not keep figures on their utilization.

Based on general observation, elderly fitness equipment including the Rider, Tai Chi Wheels, Pull-down Machines, Twister and Stepper, Upper Back Stretch, Climbing shoulder Stretch, Back Stretch and Push-ups, Bicycle Stepper, Up and Down Station are popular and generally well received by the elderly.

(b) the types and quantities of elderly fitness equipment to be provided at the Hoi Bun Road Park; and

Three sets of elderly fitness equipment would be provided in accordance with the requirement of LCSD. The selection of the elderly fitness equipment will be carried out during the construction stage of the project, having regard to the types of equipment generally well received by the elderly.

(c) the design concept and operation hours of the thematic features with sound and lighting effects.

The improvement of the Hoi Bun Road Park carries the theme of “Hoi Bun” or “Waterfront”. Thematic features with sound and lighting effects to echo this theme will turn the central lawn into an attractive public gathering place.

Tentatively, the sound and lighting effects are proposed to be switched on from 18:00 to 22:00 daily.
