Hon Jeffrey LAM Kin-fung, GBS, JP
Chairman
Panel on Economic Development
Legislative Council
HKSAR

Dear Mr. Lam

Hong Kong Airlines Supports the Implementation of New ATMS

On behalf of Hong Kong Airlines Limited ("HKA"), I am writing to express our support for the implementation of the new Air Traffic Management System ("ATMS") by the Civil Aviation Department (CAD). We welcome any initiative that is beneficial for strengthening Hong Kong's status as a premier international aviation hub, and believe that the new ATMS will create a positive impact on Hong Kong's economic development in line with the region's long-term economic growth.

As far as aviation safety is concerned, the implementation of the new ATMS has no impact on HKA's daily operation. Safety has always been the top priority of the Hong Kong aviation industry and the authorities, HKA is confident that the new ATMS will enhance the efficiency of air traffic control operations, and we will continue to fully cooperate with the Transport and Housing Bureau and the CAD to ensure the success of the new ATMS.

Thank you very much.

Yours sincerely

Ben Wong
Chief Operating Officer
Hong Kong Airlines Limited
