

教育事務委員會
Panel on Education

在2018年4月13日的會議上
就議程項目"基本能力評估的檢討"通過的議案
Motion passed under the agenda item
"Review of Basic Competency Assessment" at the meeting on 13 April 2018

議案措辭

鑒於教育局將抽樣進行小三全港系統性評估("TSA")及容許學校個別向考評局申請全級應考並獲得多份詳細的學校表現報告。本事務委員會促請當局就小三TSA制訂明確的監察機制，如成立檢討委員會和進行教師、家長問卷調查等方式跟進TSA的實施情況，以確保或跟進小三TSA不會為學校帶來不必要的操練，扭曲小學教學課程。

Wording of the Motion

(Translation)

Given that the Education Bureau will conduct the Primary 3 Territory-wide System Assessment ("P3 TSA") on a sampling basis and allow individual schools to apply to the Hong Kong Examinations and Assessment Authority for participation in P3 TSA by all P3 students with the provision of a number of detailed school performance reports, this Panel urges the Administration to establish a specific monitoring mechanism for P3 TSA, such as setting up a review committee, conducting questionnaire surveys with teachers and parents, etc. to follow up the implementation of TSA, in order to ensure that or to take follow-up actions to ensure that P3 TSA will not result in unnecessary drilling by schools, which will distort the primary school curriculum.
