for Secretary for Home Affairs

**Finance Committee Meeting on 6 July**  
**Follow-up Matter relating to Two Sports and Recreation Facility Projects**  
**FCR(2018-19)34 - PWSC(2018-19)22**

- (a) **As regards the Open space in Area 6, Tai Po project, please provide information on the area of the Chinese courtyard where bamboo trees are intended to be planted, and species, planting spacings of bamboo trees, as well as their size when planted and mature.**

According to the information provided by the Architectural Services Department, the area for planting bamboo trees at Theme Garden is around 130 m<sup>2</sup>. The species of bamboo to be planted is *Phyllostachys Aurea*. The height of the bamboo will be around 5 to 6 m after growth with a diameter of around 20 mm. The bamboo trees will be planted with about 300 mm spacing to provide space for growing. A photo showing the appearance of the bamboo is in **Appendix**.

- (b) **As regards the Redevelopment of Yuen Long Stadium project, the Government undertook to ask the appointed consultant to provide an estimate on the breakdown of costs in respect of the ancillary facilities specified in paragraph 2(d) in the discussion paper, including multi-purpose meeting rooms, a media centre, media tribune, a press conference room, commentator's rooms, TV studios, first aid rooms and a doping control room upon obtaining funding approval.**

The Government will request the consultant appointed for the pre-construction activities for the redevelopment of Yuen Long Stadium to provide an estimate on the construction cost for the provision of ancillary facilities as stated in paragraph 2(d) of the discussion paper.
