/BACKGROUND

BACKGROUND

3. The STAS provides cash grants to eligible Primary 1 to Senior Secondary 3 students in government schools, aided schools, caput schools and local schools under the Direct Subsidy Scheme. The assistance comprises a textbook grant for purchasing essential textbooks and a flat rate grant to cover miscellaneous school-related expenses. Successful applicants receive a full rate grant or a half rate grant, depending on the outcome of a means test.

4. For the textbook grant, the FC has authorised the Government to revise annually the grant rates, having regard to the average costs of textbooks for the various levels of studies. The grant rates for the 2017/18 school year are based on the results of the 2017 Textbook Expenditure Survey (TES) conducted by the Consumer Council (CC) before the start of the school year on the average actual costs of textbooks as required by the sampled schools at various levels of studies for the 2017/18 school year. The differences in the textbook grant rates for the 2017/18 school year at various levels of studies as compared to those in the 2016/17 school year reflect primarily the differences between the average costs of textbooks for the 2017/18 school year from the CC's 2017 TES and those for the 2016/17 school year from the CC's 2016 TES.

5. As regards the flat rate grant, the FC has authorised the Government to revise it annually according to the movement of the Composite Consumer Price Index (CCPI). The CCPI increased by 1.7% on average between June 2016 and June 2017. Taking into account the movement of the CCPI, the flat rate grant for each full-grant and half-grant student has been increased from \$2,292 and \$1,146 in the 2016/17 school year to \$2,332 and \$1,166 respectively in the 2017/18 school year. The flat rate grant will continue to be revised annually thereafter according to the movement of the CCPI as authorised by the FC.

6. We have undertaken to inform Members annually of the revisions of the grant rates under the STAS approved under the delegated authority.
