Panel on Financial Affairs

List of follow-up actions

(Position as at 9 May 2018)

	Subject	Date(s) of	Follow-up actions	Outcome
		relevant meeting(s)		
1.	Development of financial technologies	3 April 2018	The Administration was requested to provide information on the quantitative economic benefits brought by the development of financial technologies ("Fintech") to the Hong Kong economy, such as the number of jobs created and Fintech companies or start-ups established in or attracted to Hong Kong. The Hong Kong Monetary Authority was requested to provide information on the progress of the proposal allowing senior citizens to withdraw cash at designated outlets (e.g. supermarkets and convenience stores) without the need for making purchase.	The Administration's response was issued to members vide LC Paper No. CB(1)881/17-18(02) on 26 April 2018.
