food safety-related penalties under the Public Health and Municipal Services Ordinance (Cap. 132) and its subsidiary legislation, as well as the Food Safety Ordinance (Cap. 612) ("FSO"). The Administration agreed to report to the Panel on the outcome of the review (paragraphs 29 and 30 of the Subcommittee's report (LC Paper No. CB(2)256/14-15) refers).

The Subcommittee on Three Regulations Relating to Control Regime for the Import of Eggs also proposed that the Administration should report the progress of the review to the Panel (paragraphs 24 to 26 of its report (LC Paper No. CB(2)2123/14-15) refers).

The Administration has advised that it would brief members on its review of the maximum levels of penalties of offences under FSO and its subsidiary legislation in the third quarter of 2018.

8. Progress of the major initiatives under the New Agriculture Policy

2nd or 3rd quarter of
2018

To keep members abreast of the latest developments of the major initiatives underpinning the New Agriculture Policy ("NAP"), the Administration provided the Panel with an information paper reporting on the matter in July 2017 (LC Paper No. CB(2)1857/16-17(01)). The Administration undertook to keep the Panel informed of the implementation progress of NAP, including the proposed establishment of an Agricultural Park ("Agri-Park"), the Sustainable Agricultural Development Fund and designation of Agricultural Priority Areas.

At the meeting on 9 January 2018, Dr Hon KWOK Ka-ki and Dr Hon Helena WONG suggested that the Panel should hold a special meeting as early as possible to discuss the implementation progress of NAP, the construction of Agri-Park and the designation of Agricultural Priority Areas and to receive public views on these issues. On 10 January 2018, Dr KWOK,

**10. Liquor licensing system in Hong Kong:
enhancement measures**

To be confirmed

At the meeting on 10 October 2013, concerns were raised about the nuisances caused by upstairs bars and the Liquor Licensing Board's considerations in assessing liquor licence applications from these establishments. It was suggested that the Panel should follow up the subject.

At the meeting on 8 April 2014, members noted the research report on "Liquor licensing system in selected places" prepared by the Research Office, Information Services Division of the Legislative Council Secretariat. There was a suggestion that the Panel should discuss the liquor licensing system in Hong Kong at a future meeting and invite deputations from the trade to give views on the subject when it was discussed.

11. Liquor licence fee adjustment: outcome of consultation	To be confirmed
Item proposed by the Administration.	
At the meeting on 11 July 2017, the Panel was briefed on the Government's proposal to adjust liquor licence fees and the measures put in place to improve the liquor licensing regime. The Panel then held a special meeting on 22 September 2017 to receive public views on the subject. Concurrently, the Administration consulted stakeholders on the fee adjustment proposal at liaison meetings with the trade in September and October 2017. The Administration will revert to the Panel on the outcome of the consultation and give an update on the proposed way forward, when ready.	
12. Facilitation of development of technology-based crop and aquaculture production	To be confirmed
Item proposed by the Administration.	
13. Review of legislation relating to animal welfare	To be confirmed
Item proposed by the Administration.	
At the meeting on 9 January 2018, Dr Hon CHIANG Lai-wan expressed a wish that arrangement be made for discussion of this subject in the third quarter of 2018.

Item proposed by the Administration.	

Subject	Proposed timing for discussion
15. Use of veterinary drugs in food animals and cultured fish and surveillance of veterinary drug residues in food and food animals	To be confirmed

At the meeting on 15 October 2015, concerns were raised about the regulation of animal feed for livestock and cultured fish and the presence of veterinary drug residues, including antibiotics, in meat and aquatic products for human consumption. It was suggested that the Panel should discuss the subject matter at a Panel meeting. According to the Administration, it was considering measures to strengthen control over veterinary drug residues in food and food animals and planned to launch a public consultation on a proposed regulatory framework.

On 3 January 2017, the Administration provided the Panel with an information paper on its work plan regarding antimicrobial resistance ("AMR") (LC Paper No. CB(2)519/16-17(01)). At the Panel meeting on 10 January 2017, members considered it necessary for the Administration to explain at a meeting in detail its work progress in tackling the threat of AMR.

In recognition of the major threat posed by AMR to global public health, the Administration has set up a High Level Steering Committee on AMR ("HLSC") to formulate strategies and action plans for tackling AMR in Hong Kong. The Expert Committee on AMR ("Expert Committee") formed under HLSC has made recommendations to HLSC. Taking into account the recommendations of the Expert Committee and the "One Health" framework which apprehends the correlation among human, animal and environment health and that AMR must be tackled at all three levels, HLSC has formulated a holistic Action Plan on AMR. On 10 July 2017, the Administration formally launched the Action Plan (2017-2022). The issue was discussed by the Panel on Health Services at its meeting on 17 July 2017, and members of this Panel were invited to join the discussion.

Subject	Proposed timing for discussion
<p>At the work plan meeting held on 3 November 2017, the Administration advised that it would brief members on the implementation of the Hong Kong Strategy and Action Plan on AMR to tackle issues related to local livestock farms, when ready.</p>	
<p>16. Policies on promoting the development of the fisheries industry</p>	To be confirmed
<p>At the meeting on 18 October 2016, Hon Steven HO suggested that the Panel should follow up with the Administration on the following issues:</p>	
<p>(a) the impact of the changes to the fisheries policy of the Mainland (e.g. the implementation of the annual fishing moratorium in the South China Sea and the provision of fuel subsidy to fishermen by the Mainland authorities) on the Government's implementation of various loan schemes for local fishermen; and</p>	
<p>(b) the assistance provided for fish farmers affected by natural disasters.</p>	
<p>The Administration has indicated its intention to brief members on Hong Kong's mariculture development in 2018.</p>	
<p>17. Public consultation on the proposed regulation of cooked meat</p>	To be confirmed
<p>At the special meeting on 3 September 2014, members expressed concern about inadequate regulation over cooked meat and considered it necessary for the Panel to follow up the matter. The Administration advised that it would review the relevant legislation and seek the views of members and the trade before deciding on the way forward.</p>	

Subject	Proposed timing for discussion
<p>At the meeting on 18 October 2016, a request was raised that the Administration should revert to the Panel on the progress of its review on legislation relating to the regulation of cooked meat.</p>	
<p>18. Government Laboratory's work in respect of food safety and other services</p>	To be confirmed
<p>Item proposed by the Administration.</p>	
<p>The Administration plans to brief members on the re-development of the Food Safety Laboratory of the Government Laboratory, once ready.</p>	
<p>19. Wholesale market consultancy study</p>	To be confirmed
<p>At the meeting on 10 June 2014, members noted that the Administration had commissioned a consultancy study on the present-day functions and purpose of the wholesale business in the sale of fresh food produce, and analyse the geographical spread of the five existing wholesale markets from the perspectives of land use and food safety. The Administration undertook to revert to the Panel when the outcome of the consultancy study was ready.</p>	
<p>20. Ancillary facilities for storage and distribution of chilled meat and poultry</p>	To be confirmed
<p>At the meeting on 15 October 2015, concern was raised about the lack of ancillary facilities for wholesaling of chilled meat and poultry. Noting that the trade had made repeated requests to the Government for the setting up of an approved distribution and storage centre for chilled meat and poultry with a view to reducing food safety risks, members requested for early discussion of the subject.</p>	

Subject	Proposed timing for discussion
21. Regulating and monitoring the activities of oyster culture in Hong Kong	To be confirmed
<p>At the meeting on 9 February 2010, a suggestion was raised that the issue of regulating and monitoring the activities of oyster culture within Hong Kong waters should be discussed by the Panel at a future meeting. During the discussion on the implementation of FSO at the Panel meeting on 11 July 2012, concerns were expressed about the over-expansion of oyster culture in Shenzhen Bay and the need of introducing in Hong Kong a licensing mechanism for regulating the activities of oyster culture.</p>	
22. Measures to facilitate the establishment of co-operative societies	To be confirmed
<p>In his letter dated 12 December 2016 (LC Paper No. CB(2)413/16-17(01)), Hon CHU Hoi-dick expressed concern on the need for the Administration to review the Co-operative Societies Ordinance (Cap. 33) and draw up measures for promoting local community economy by facilitating the establishment of co-operative societies. He suggested that the Panel should discuss the subject matter at a future meeting. The Administration's response to issues raised in the letter from Hon CHU was set out in LC Paper No. CB(2)514/16-17(01) issued on 3 January 2017.</p>	
23. Issues relating to the relocation of Yen Chow Street Temporary Hawker Bazaar to Tung Chau Street Market	To be confirmed
<p>At the meeting on 12 October 2017, Hon SHIU Ka-chun suggested that the Panel should follow up and discuss issues relating to the relocation of Yen Chow Street Temporary Hawker Bazaar to Tung Chau Street Market, including how the Administration would address the needs and concerns of street sleepers in</p>
