

**Panel on Health Services****List of follow-up actions**

(Position as at 8 February 2018)

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
1. Briefing by the Secretary for Food and Health on the Chief Executive's 2017 Policy Address	26 January 2017	<p>The Administration was requested to provide information on:</p> <p>(a) the increase in public health expenditure in the light of a growing number of elders aged 65 or above under an ageing population; and</p> <p>(b) programmes to promote preventive care for middle-aged adults in primary care setting and the expenditure involved.</p>	The Administration will provide a response in due course.
2. Review on mental health	22 May 2017	The Administration/the Hospital Authority ("HA") was requested to provide the terms of reference of the standing advisory committee on mental health, which was expected to be set up within the fourth quarter of 2017.	The Administration's response was issued to members vide LC Paper No. CB(2)825/17-18(01) on 6 February 2018.
3. Mechanism for handling medical incidents in public and private hospitals	19 June 2017	<p>The Administration/HA was requested to:</p> <p>(a) advise on whether HA had taken any disciplinary actions against its staff for delaying or omitting the reporting of medical incidents classified as sentinel events or serious untoward events to</p>	The Administration will provide a response in due course.

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
		<p>HA Head Office within 24 hours of their identification, as was required under the Sentinel and Serious Untoward Event Policy;</p> <p>(b) explain the reason(s) why the sentinel events relating to "retained instruments or other material after surgery/interventional procedure" and "death of an inpatient from suicide (including home leave)" remained as the top two categories of sentinel events reported by HA during the period of 1 October 2007 to 30 September 2016, albeit HA had implemented improvement measures identified by the relevant Root Cause Analysis Panels for these incidents, including whether healthcare manpower constraint of HA was a factor attributing to the above phenomenon; and</p> <p>(c) provide details of the support provided by the clusters or hospitals concerned for their staff who were involved in sentinel events or serious untoward events.</p>	

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
4. Preparation for winter surge	20 November 2017	<p>The Administration was requested to:</p> <ul style="list-style-type: none"><li>(a) in respect of the media reports in mid-November 2017 concerning the recent respective outbreaks of pulmonary tuberculosis in a secondary school in Shatin and a middle school in Hunan Province, advise:<ul style="list-style-type: none"><li>(i) the surveillance and control measures put in place by the Department of Health ("DH") to contain the spread of pulmonary and extrapulmonary tuberculosis in the school setting and in the community, in particular how DH could prevent delay in reporting any suspected cases or outbreaks of the diseases by schools;</li><li>(ii) the measures taken by DH at the border control point(s) in the territory to avoid imported cases of tuberculosis to safeguard public health; and</li></ul></li><li>(b) provide information on the number of HA's patients who were transferred to private hospitals with low-cost hospital bed arrangement for completion of</li></ul>	The Administration will provide a response in due course.

Subject	Date of meeting	Follow-up action required	Administration's response
		treatment during summer surge in 2017, and the number of private hospital beds and expenditure so involved.	
5. Mental health of adolescents <sup>1</sup>	20 December 2017 (Joint meeting with the Panel on Education and Panel on Welfare Services)	<p>The Administration/HA was requested to:</p> <ul style="list-style-type: none"> <li>(a) provide quarterly reports on the work progress of the Advisory Committee on Mental Health which was established on 28 November 2017;</li> <li>(b) provide, with a breakdown by the year of schooling, the enrollment rates of eligible students for DH's Student Health Service ("SHS") and attendance rates of these students for the annual health assessment provided under SHS to, among others, screen for mental health problem(s);</li> <li>(c) in respect of the child and adolescent psychiatric service provided by HA, advise the annual expenditure involved, and the number and rate of increase in healthcare manpower for the provision of the service from 2011-2012 to 2016-2017;</li> </ul>	The Administration will provide a response in due course.

---

<sup>1</sup> The item has been separately included in the respective lists of follow-up actions of the Panel on Education and Panel on Welfare Services.

Subject	Date of meeting	Follow-up action required	Administration's response
		<p>(d) provide information on the suicide rate of adolescents aged between 12 and 17 years in the past 10 years;</p> <p>(e) advise the respective numbers and percentages of students who had received Tier-3 support under the Three-tier Intervention Model in the school setting in each of the past five years, and whether any of these students had committed suicide afterwards; and</p> <p>(f) advise whether and, if so, what additional funding support would be provided to tertiary institutions according to the number of students with special education needs admitted to individual institutions.</p>	
<p>6. HIV and AIDS response measures formulated in relation to the Recommended HIV/AIDS Strategies for Hong Kong (2017-2021) ("the Strategies")</p>	<p>4 January 2018</p>	<p>The Administration was requested to:</p> <p>(a) provide information on the number of healthcare staff of the three designated clinics set up under DH and HA for providing treatment services for HIV infected patients from 2010 to 2017;</p> <p>(b) in respect of the grant applications for the AIDS Trust Fund in the past five</p>	<p>The Administration's response was issued to members vide LC Paper No. CB(2)800/17-18(01) on 31 January 2018.</p>

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
		<p>years, advise in the form of a table the aims and target groups of the proposed programmes or projects (including, among others, as to whether there were any programmes or projects relating to provision of HIV testing services for heterosexual men and HIV/AIDS prevention among the ethnic minorities), with a breakdown by the number of approved applications and the amount of the grant approved as well as the number of rejected applications and the reasons for rejection;</p> <p>(c) advise the response measure(s) to be taken by the Administration in relation to the Strategies to avoid needle sharing among drug users;</p> <p>(d) provide information on the number of HIV infected patients aged 60 or above and the number of applications from these elderly HIV infected patients for residential care services, with a breakdown by the number of successful and unsuccessful applications in the past five years; and</p>	

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
		<p>(e) provide the details of the training (e.g. the objectives, duration, frequency and number of participants) provided for frontline social workers on issues relating to HIV/AIDS in the past five years.</p>	
	5 February 2018	<p>The Administration was requested to:</p> <p>(a) provide information on the respective numbers of HIV infected patients that were captured by the HIV Reporting System under DH and those receiving treatment services at the three designated HIV clinics set up under DH and HA, with a breakdown by age groups and patients who were in need of residential care services;</p> <p>(b) provide a response to the suggestion from some members and deputations to extend the service hours of the three designated HIV clinics set up under DH and HA to cover Saturdays and Sundays so as to provide greater flexibility for those HIV infected patients who had to work on weekdays in scheduling their consultations;</p>	The Administration will provide a response in due course.

Subject	Date of meeting	Follow-up action required	Administration's response
		<p>(c) provide the details of the mechanism put in place by the Education Bureau to monitor and evaluate the effectiveness of the implementation of sex education in the school setting, and the evaluation outcomes when available; and</p> <p>(d) advise in the form of a table the number of approved grant applications for the AIDS Trust Fund in the past five years, with a breakdown by the target groups of and the amount of grant approved for each target group.</p>
