Hon LAU Kwok-fan, MH  
Chairman of the Joint Subcommittee to Monitor the Implementation of  
the West Kowloon Cultural District Project  
Legislative Council Complex  
1 Legislative Council Road  
Central, Hong Kong

Dear Mr Lau,

I refer to your letter addressed to the Secretary for Home Affairs dated 23 May 2018 regarding the disclosure of four consultancy reports relating to the review of the development of the Mega Performance Venue and Exhibition Centre to the Legislative Council (LegCo) members again. I am writing to confirm that the WKCDA Board have agreed to allow members of the Legislative Council to inspect the redacted reports again. The reports are available for inspection in WKCDA office at Cyberport.

As explained in the Joint Subcommittee meeting held on 11 May 2018, WKCDA has embarked on a public engagement exercise on Art, Commerce, Exhibitions (ACE) project to update the general public and stakeholders groups and solicit their views. WKCDA is also conducting marketing sounding activities in the preparation of the ACE development tender, and these reports are highly commercially sensitive.

The redacted reports will be available for LegCo members' review again in a designated room at WKCDA's Cyberport office for one month. LegCo members are also bound by the confidentiality undertakings on terms and conditions similar to those required in April 2017 (please refer to the enclosure). We will work with the Secretariat on suitable arrangements for members to review the consultancy reports.

Yours sincerely,

Duncan Pescod  
Chief Executive Officer  
West Kowloon Cultural District Authority
