Dear Ms LO,

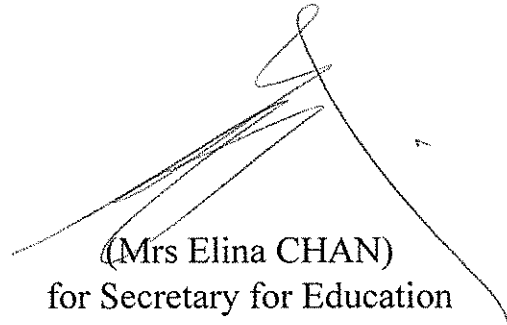

Public Works Subcommittee
272ES – A 30-classroom secondary school at Site KT2e,
Development at Anderson Road, Kwun Tong
Supplementary Information

At the meeting of the Public Works Subcommittee of the Legislative Council on 9 April 2019 concerning the funding application of 272ES – A 30 - classroom secondary school at Site KT2e, Development at Anderson Road, Kwun Tong, Members requested the Government to provide the number of car parking spaces within the existing school premises of Maryknoll Secondary School (“the School”) which will be re-provisioned to the proposed school premises, and indicate if there is any difference from the number of car parking spaces in the new school premises at Development at Anderson Road, Kwun Tong upon reprovisioning in future.

In accordance with the Hong Kong Planning Standards and Guidelines, we have all along been in discussion with the School over the detailed design of the school premises (including the number of parking spaces) with a view to meeting the future operational needs of the school. The School,

having regard to its future operational arrangement, considered that one school bus lay-by and a total of 14 car parking spaces / lay-bys at the above proposed secondary school premises would be sufficient in meeting its actual operational needs. As regards the existing school premises at 45 Choi Ha Road, Ngau Tau Kok, Kowloon, there are only 12 car parking spaces.

Yours sincerely,

(Mrs Elina CHAN)
