Dear Ms Sit,

**Follow-up Reply to  
Legislative Council Finance Committee Meeting on  
25 September 2020**

At the meeting of the Finance Committee of the Legislative Council on 25 September 2020, Hon Alvin YEUNG raised the following enquiry: In February 2020, the Government launched a special scheme to deliver prescription medications to Hong Kong residents in Guangdong Province and Fujian Province who were in emergency need of medications. How many patients have so far been provided with this service under the scheme? The Government's reply is as follows -

As at 23 September 2020, arrangements had been made to deliver prescription medications in more than 22 000 cases under the special scheme.

Yours sincerely,

( Dennis CHING )
