Dear Mr SIN,

**Panel on Information Technology and Broadcasting
A Broadcast Complaint Related to Radio Television Hong Kong**

Thank you for your email of 2 April 2020 to the Commerce and Economic Development Bureau (CEDB), which enclosed an email from a member of the public asking for a brief on the follow-up actions taken by the Radio Television Hong Kong (RTHK) regarding a broadcast complaint and the decision made by the Communications Authority (CA) on that complaint. CEDB has referred the request to RTHK for a direct reply. I am authorised to reply as follows.

Regarding the case mentioned in the email, RTHK, after investigation, has taken follow-up actions, which include immediate deletion of the problematic part in the online programme archive, issue of a verbal warning to the programme host and suspension of his work as a host for 12 days.

CEDB has also urged RTHK to ensure that its broadcast materials should comply with the "Radio Code of Practice on Programme Standards" in the future.
