meeting") for the 2019-2020 session held on 4 November 2019, the Administration advised that it was working on proposals to update the regulatory regime of harmful substances in food (including industrially-produced trans fats and mycotoxins). The Administration plans to conduct a public consultation and brief the Panel on the proposals in the first quarter of 2021.

**4. Implementation of the Public Health (Animals and Birds) (Trading and Breeding) Regulations (Cap. 139B)**

1<sup>st</sup> quarter of 2021

Item proposed by the Administration.

The Administration plans to brief members in the first quarter of 2021 on the implementation of the Public Health (Animals and Birds) (Trading and Breeding) Regulations (Cap. 139B).

**5. Progress of the initiatives under the New Agriculture Policy**

To be confirmed

At the meeting on 8 January 2019, the Administration consulted members on the proposed construction of Phase 1 of the Agricultural Park ("Agri-Park") in Kwu Tung South. Noting that the Agri-Park is planned to be implemented in two phases, members, after taking into account its proposed scale, considered it necessary for the Administration to regularly report to the Panel on the progress of this works project.

To facilitate members' better understanding of the scope and nature of the project, the Panel conducted a visit on 28 February 2019 to the proposed site for establishing the Agri-Park.

At the work plan meeting for the 2019-2020 session on 4 November 2019, it was agreed that the Administration should report to the Panel on the latest

implementation progress of various initiatives under the New Agriculture Policy (including the establishment of the Agri-Park) in the third quarter of 2020.	
<b>6. Measures to facilitate the establishment of co-operative societies</b>	To be confirmed
In his letter dated 12 December 2016 (LC Paper No. CB(2)413/16-17(01)), Hon CHU Hoi-dick expressed concern on the need for the Administration to review the Co-operative Societies Ordinance (Cap. 33) and to draw up measures for promoting local community economy by facilitating the establishment of co-operative societies. He suggested that the Panel should discuss the subject matter at a future meeting. The Administration's response to issues raised in the letter from Hon CHU was set out in LC Paper No. CB(2)514/16-17(01) issued on 3 January 2017.	
At the work plan meeting for the 2019-2020 session on 4 November 2019, it was agreed that this issue be subsumed under the discussion of the item "Progress of the initiatives under the New Agriculture Policy" (Please also see item 5 above).	
<b>7. Wholesale market consultancy study</b>	To be confirmed
At the meeting on 10 June 2014, members noted that the Administration had commissioned a consultancy study on the present-day functions and purpose of the wholesale business in the sale of fresh food produce, and analyse the geographical spread of the five existing wholesale markets from the perspectives of land use and food safety.	
At the meeting on 11 October 2018, members considered it necessary for the Administration to brief members on the outcome of the consultancy study (including the timetable, proposed sites and detailed plan for relocating Cheung Sha Wan Temporary

Poultry Market and Yau Ma Tei Wholesale Fruit Market).

At the work plan meeting for the 2019-2020 session on 4 November 2019, the Administration advised that the study was expected to be completed in the first quarter of 2020. It was agreed that the item be tentatively scheduled for discussion in the third quarter of 2020.

**8. Regulatory control of genetically modified food**

To be confirmed

At the meeting on 12 March 2013, the Panel was briefed on the Administration's proposal on regulating genetically modified ("GM") food by introducing a mandatory pre-market safety assessment scheme ("PMSAS") in Hong Kong. At the meeting on 11 July 2017, the Administration advised that it would launch a public consultation on PMSAS in due course, taking into account the international development on regulation of GM food.

At the work plan meeting for the 2019-2020 session on 4 November 2019, the Administration was requested to step up efforts to encourage the trade to voluntarily adopt GM food labelling and to review the trade's receptiveness to those recommendations set out in the "Guidelines on Voluntary Labelling of Genetically Modified Food" issued by the Centre for Food Safety in 2006.

**9. Government Laboratory's work in respect of food safety and other services**

To be confirmed

Item proposed by the Administration.

The Administration plans to brief members on the re-development of the Food Safety Laboratory of the Government Laboratory when ready.
