1. Progress of the initiatives under the New Agricultural Policy	May 2021
<p>At the meeting on 8 January 2019, the Administration consulted members on the proposed construction of Phase 1 of the Agricultural Park ("Agri-Park") in Kwu Tung South. Noting that the Agri-Park is planned to be implemented in two phases, members, after taking into account its proposed scale, considered it necessary for the Administration to regularly report to the Panel on the progress of this works project. To facilitate members' better understanding of the scope and nature of the project, the Panel conducted a visit on 28 February 2019 to the proposed site for establishing the Agri-Park.</p>	
<p>At the meeting between the Chairman, the Deputy Chairman and the Secretary for Food and Health to discuss the work plan of the Panel ("work plan meeting") for the 2020-2021 session held on 23 November 2020, the Administration advised that it planned to report to members on the latest implementation progress of various initiatives under the New Agricultural Policy (including the establishment of the Agri-Park, promotion of application of technology in agricultural production among farmers and training for farmers to facilitate transfer of knowledge) in the second quarter of 2021.</p>	
2. Measures to facilitate the establishment of co-operative societies	May 2021
<p>In his letter dated 12 December 2016 (LC Paper No. CB(2)413/16-17(01)), Hon CHU Hoi-dick expressed concern on the need for the Administration to review the Co-operative Societies Ordinance (Cap. 33) and to draw up measures for promoting local community</p>

economy by facilitating the establishment of co-operative societies. He suggested that the Panel should discuss the subject matter at a future meeting. The Administration's response to issues raised in the letter from Hon CHU was set out in LC Paper No. CB(2)514/16-17(01) issued on 3 January 2017.

At the work plan meeting for the 2020-2021 session on 23 November 2020, it was agreed that this issue be subsumed under the discussion of the item "Progress of the initiatives under the New Agricultural Policy" (Please also see item 1 above).

3. Implementation of the Private Columbaria Ordinance (Cap. 630)

May 2021

Item proposed by the Administration.

The Administration plans to report to members on the implementation of the licensing scheme for regulating private columbaria, including the progress in processing applications for specified instruments as well as the enforcement actions taken.

4. Food import control

2nd quarter of 2021

In their respective letters dated 22 October 2020 (LC Paper Nos. CB(2)77/20-21(01) and (02)), Dr KWOK Ka-ki* and Hon Elizabeth QUAT suggested that the Panel should discuss the following subject matters at a future meeting: (a) import arrangements of hairy crabs and relevant food safety issues; and (b) effects of radioactive water discharged from Fukushima nuclear plant on the safety of imported food from Japan.

At the work plan meeting for the 2020-2021 session on 23 November 2020, the Chairman suggested that the Administration should brief members on issues relating to the safety and surveillance of imported food. By then, the above-mentioned issues could be discussed at the same meeting.

Proposed timing for discussion

At the meeting on 11 October 2018, members considered it necessary for the Administration to brief members on the outcome of the consultancy study (including the timetable, proposed sites and detailed plan for relocating Cheung Sha Wan Temporary Poultry Market and Yau Ma Tei Wholesale Fruit Market).

At the work plan meeting for the 2020-2021 session on 23 November 2020, the Administration undertook to, upon the Chairman's request, review whether it could report to the Panel on this study in the 2020-2021 session.

According to the Administration, the Development Bureau is responsible for the wholesale market consultancy study. The Bureau expects that the study will be completed by the first quarter of 2021. The Government will report to the Panel (or the Panel on Development) on the progress in due course. It is expected that the subject will be put to discussion in the next session.

9. Regulating and monitoring the activities of oyster culture in Hong Kong

To be confirmed

At previous meetings of the Panel, concern was expressed about the over-expansion of oyster culture in Shenzhen Bay and the need of introducing in Hong Kong a licensing mechanism for regulating the activities of oyster culture. There was a suggestion that the issue of regulating and monitoring the activities of oyster culture in Hong Kong should be discussed by the Panel.
