

## Panel on Housing

### List of follow-up actions (Position as at 31 May 2021)

Subject	Date of meeting	Follow-up action required	Administration's response
1. Creation of a supernumerary Administrative Officer Staff Grade C ("AOSGC") (D2) post in the Housing Department	1.3.2021	The Administration was requested to provide information on how the proposed creation of the supernumerary AOSGC post would enhance the work related to transitional housing, such as how far the proposal would increase the efficiency/advance the completion of such work and speed up the land supply for transitional housing and the construction/development processes of such housing, etc.	The Administration's response was circulated vide LC Paper No. CB(1)968/20-21(01) on 31 May 2021.
2. Head 33 - Creation of one supernumerary Chief Engineer post in the Civil Engineering and Development Department for coping with workload arising from public housing developments	29.3.2021	The Administration was requested to provide information with respect to the following questions/concerns:  (a) given that the five-year period of the existing supernumerary Chief Engineer/Housing Projects 2 ("CE/HP2") post would end by 31 March 2021, reasons for submitting the proposal to the Panel two days before the end date, and the staffing arrangements to be made by the Administration for the period between the end date of the aforesaid post and the Finance Committee's approval of the proposal;	The Administration's response was circulated vide LC Paper No. CB(1)912/20-21(01) on 14 May 2021.

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
		<p>(b) the work that had been completed by CE/HP2 for the five years since 2016, details of the work targets set for the past five years that had been/had not been achieved by CE/HP2;</p> <p>(c) work targets/workload, etc. of the proposed supernumerary CE/HP2 for the five years after its re-creation (including the land lots for public housing development that would be responsible by the proposed post, etc.), and how these justified the need for the proposed re-creation of the post;</p> <p>(d) responsibilities of some of the Chief Engineer posts in the Civil Engineering and Development Department as set out in Annex III of LC Paper No. CB(1)715/20-21(03) appeared to be overlapping; and</p> <p>(e) apart from the financial implications of the proposal mentioned in paragraph 11 of LC Paper No. CB(1)715/20-21(03), details about the relevant cost of retaining/creating other posts to tie in with the proposal (such as non-directorate posts to support the proposed CE/HP2 post).</p>
