Dear Mr SIN,

**Confidentiality Requirements of Radio Television Hong Kong
for Staff and Service Providers**

Thank you for relaying the views of a member of the public regarding the issues on Radio Television Hong Kong (RTHK) to the Commerce and Economic Development Bureau on 3 June. The letter has been forwarded to RTHK, and our reply is as follows:

As a government department, RTHK's staff and service providers have to abide by all rules and regulations applicable to government departments. According to the Government's Security Regulations, government employees and service providers shall not make unauthorised disclosure of confidential information to external parties. RTHK will continue to strive to ensure that our staff and service providers comply with the relevant requirements.

I should be grateful if the Secretariat would relay our reply to the member of the public, and extend our thanks to him / her for his / her concern about RTHK.
