to be moved by Hon LEE Cheuk-yan
at the Legislative Council meeting
on Wednesday, 16 June 1999**

Wording of the Motion

"That, in view of China Light & Power Company Limited's (CLP) inaccurate forecasts of electricity demand, leading to its excessive investment in power generation facilities and excess power generation capacity, thereby resulting in the customers of CLP being overcharged substantial amounts of tariffs, this Council urges the Government to expeditiously and accurately calculate the amount of tariffs overcharged by CLP, and to press CLP to refund the overcharged tariffs to its customers."
