Motion on
"Promoting the development of the agriculture and fishing industries"
to be moved by Hon WONG Yung-kan at the
Legislative Council meeting on Wednesday, 2 December 1998

Wording of the Motion

"That this Council urges the Government to promote the sustainable development of Hong Kong's agriculture and fishing industries and expeditiously establish a research institute on agriculture and fisheries, so that the industries can follow closely the world trend of developing technologically-advanced and high value-added modes of production, and to formulate a long-term agriculture and fishing development strategy, so as to ensure that the industries will contribute to Hong Kong's economy."
