

港九狗會有限公司的信頭
Letterhead of Hong Kong & Kowloon Kennel Association Ltd.

During the meeting, we will have the following points of views: -

- Demand to clarify the term “‘potentially dangerous dogs’ category”; and the tem seem to be unfair to those ‘harmless’ breeds;
怎樣釐定「『潛在危險狗隻』類別」而這樣釐定對那些馴和的狗種有欠公平；
- Doubt on the capability of dog bites hindrance after the imposition of a dog training examination programs. (Reasons of dog bites varies. They may due to an immediate inducement.)
對執行狗隻訓練試於防止「狗咬人」的能效上存疑（「狗咬人」通常是突發性、情緒性及環境性的）。

Kindly handle accordingly.

Thank you for your attention.

Yours Truly,
For and on behalf of the
Hong Kong & Kowloon Kennel Association Ltd.
