Bills Committee on
Legislative Council (Amendment) Bill 1999

Meeting at 8:30 am on 28 May 1999

- (1) I would like to propose the following amendments relating to functional constituencies (preferably with justifications) -

That the Architectural, Surveying and Planning Functional Constituency be divided into 2 functional constituencies: one for Architectural, Planning and Landscape Architectural functional constituency, and one Surveying functional constituency.

Justifications: The present FC consists of 4 different professions, 3 of which are more related to design and planning whilst the Surveying Profession is related more to building economics & management. The Surveying profession has about 2600 members, about the same

- (2) I shall/shall not* be able to attend the above meeting. size as the other 3 professions.
