Dear Members of the Bills Committee,

We are writing in the hope that our Association can be included as an elector of the Transport functional constituency (FC) so that we can participate in the 2000 Legislative Council (LegCo) election.

Our Association is registered under the Societies Ordinance. Our Association, which has a membership of over 300, was founded on 13 May 1988 with the objectives of liaising with taxi owners and drivers, and also serving as a link between the various government departments and the taxi industry to reflect the views of the industry to government departments on related matters.

We are of the view that our Association is eligible to become an elector of the Transport FC. We hope that the Bills Committee will carefully consider our views and accept our request for inclusion in the list of electors so that we can vote in the forthcoming LegCo election.
