**Bills Committee on Chinese Medicine Bill  
Lists of some products containing Schedule 2 Chinese Herbal Medicines**

At the last meeting of the Bills Committee on the Chinese Medicine Bill, Members requested information on products being sold in supermarkets which contain items of Chinese herbal medicines listed in Schedule 2 of the Bill. Lists of some of these products and items of Schedule 2 Chinese herbal medicines contained therein are attached at Annexes A and B (only the Chinese version is available and attached) for members' reference.

2. The information in the Annexes are what we have gathered in our visits to sonic supermarkets. Because of manpower constraints, it was not possible to visit every supermarket in Hong Kong.
