Dear Mr. Fok

Hong Kong Sports Development Board (Amendment) Bill 1999

I refer to your letter of 26 October, 1999 on the above subject.

The general views from Sports Federation & Olympic committee of Hong Kong, China are best reflected in the two meeting minutes on 19 August, 1999 and 5 October, 1999. Additional comment is listed in the following:-

- 1) The additional one member of SF&OC in the Board does not serve the purpose of reflecting truly NSAs' views, because we are still very much in a small minority. We are looking for a change in VISION which will give a proper leadership role to fit truly to the name of sports development.
- 2) Hence, the sports community push very strongly that the appointment of the Board members should be 1/3 from the NSAs instead of adding merely one member. Moreover we strongly urge a more closer working relationship between the Board and its management.

Yours sincerely

Tony YUE
Chairman
