

**NOTE FOR PUBLIC WORKS
SUBCOMMITTEE
OF FINANCE COMMITTEE**

**Supplementary information on
40TR - West Rail (phase 1) - essential public infrastructure works
for Kam Tin Section**

INTRODUCTION

When Members considered paper PWSC(1999-2000)10 on **40TR** - West Rail (phase 1) - essential public infrastructure works for Kam Tin Section at the PWSC meeting on 12 May 1999, the Administration undertook to provide supplementary information on the number of bicycle parking spaces planned to be provided at the West Rail Kam Tin station.

THE ADMINISTRATION'S RESPONSE

2. KCRC will provide a bicycle parking area as part of the Kam Tin Station. At present, we plan to provide some 150 bicycle parking spaces in the form of standard tubular stainless steel bicycle racks for the convenience of commuters and villagers who will travel to and from the Kam Tin Station on bicycle.
