Priority of Bills on Waiting List

At an earlier meeting with the Chief Secretary for Administration, you asked if the Administration could give some indication of bills which should be given priority in vetting by LegCo. We would like to suggest the following items be given priority, in seriatim, when LegCo resumes business in the next session —

- (i) the Municipal Council-related bills, namely the Hong Kong Arts Development Council (Amendment) Bill 1999 and the Hong Kong Sports Development Board (Amendment) Bill 1999;
- (ii) the Electronic Transactions Bill since early enactment of the Bill would facilitate the promotion of electronic commerce in Hong Kong; and
- (iii) the Arbitration (Amendment) Bill 1999 so that benefits could be brought to the local business community early.

I should be grateful if you could put the above suggestions to Members for consideration at the next House Committee meeting.

(Mrs Carrie Yau)
Director of Administration
