立法會會議席上
劉漢銓議員就“鼓勵市民自強不息”
提出的議案

議案措辭

“鑒於策略發展委員會報告指出，‘泡沫經濟’使香港人產生‘賺快錢’心態，可能嚴重削弱港人一向的積極工作態度，也有人擔心部份市民已養成倚賴的心態，不切實際地指望政府不斷提供更多服務，本會促請政府在推行適當政策以改善市民生活之餘，亦採取積極措施，鼓勵市民發揮自強不息、刻苦耐勞及靈活應變的香港精神。”

(Translation)

**Motion on “Encouraging people to achieve continuous self-improvement”
to be moved by Hon Ambrose LAU Hon-chuen
at the Legislative Council meeting
on Wednesday, 10 May 2000**

Wording of the Motion

“That, as the report of the Commission on Strategic Development has pointed out that the ‘bubble economy’ has generated a ‘get rich quick’ mindset that could seriously undermine the strong work ethic that has long been associated with the Hong Kong workforce and the concern that, in some quarters, a dependency culture has developed and with it, increasing and sometimes unrealistic expectations as to both the role of the Government and its ability to provide additional services’, this Council urges the Government, while introducing appropriate policies to improve people’s livelihood, to adopt positive measures to encourage the community to give full play to the Hong Kong spirit which embodies continuous self-improvement, assiduousness and adaptability.”
