

Bills Committee on Urban Renewal Authority Bill

Concerns raised at the meetings on 14 and 15 April 2000

Members requested the Administration -

- (a) to advise whether a provision similar to clause 26(4) of the Bill exists in any other ordinances. Some resident groups have raised concern about the power of the Urban Renewal Authority (URA) to use force to enter and inspect premises for the purpose of preparing an assessment of the impact of the implementation of URA redevelopment projects; and
- (b) to provide a detailed co-ordinated response to the views expressed by deputations and in submissions to the Bills Committee.
