Miss Flora Tai  
Clerk to Bills Committee.  
Bills Committee on Building Management  
(Amendment) Bill 2000,  
Legislative Council,  
8 Jackson Road, Central,  
Hong Kong.

Dear Madam,

Building Management (Amendment) Bill 2000  
Bills Committee meeting for 9/3/2000

Thank you for your fax of 28 February 2000 extending the invitation of the Chairman of the Bills Committee to us to attend the above meeting.

We are pleased to note from the document prepared by the Home Affairs Bureau of reference CB(2)1258/99-00(01) provided to us by you that the Administration has agreed to put through a Committee Stage Amendment to the Bill to reflect our suggestion on the wording of section 27(1A) of the Bill concerning the audit reporting requirements as set out in our letter dated 25 January 2000 to the LegCo. In the light of the above, it is our intention that we shall not attend the above Bills Committee meeting as we do not anticipate we shall have any further comments to make.

However if it is considered that it would still be appropriate for us to attend the above Bills Committee meeting, please let us know.

Once again, thank you for the Chairman of the Bills Committee's invitation to us to attend the above meeting.

Yours faithfully,

LOUIS L.W. WONG
