INTRODUCTION

At the meeting of the Executive Council on 5 October 1999, the Council ADVISED and the Chief Executive ORDERED that the Fire Services Department (Welfare Fund) Regulation, the Police Force (Welfare Fund) Regulation, Prison (Amendment) Rules 1999, the Immigration Service (Welfare Fund) Regulation and the Customs and Excise Service (Welfare Fund) Regulation, at the Annex, should be made.

BACKGROUND AND ARGUMENT

2. Five disciplined services Ordinances, i.e. the Fire Services Ordinance, the Police Force Ordinance, the Prisons Ordinance, the Immigration Service Ordinance and the Customs and Excise Service Ordinance, and their subsidiary legislation have to be amended in order to regularize the sources of income and formalize operational arrangements for the welfare funds of these disciplined services. Details can be found in the Legislative Council Brief on the Disciplined Services Welfare Funds Legislation (Amendment) Ordinance 1999 issued on 28 January 1999.

THE ORDINANCE

3. Amendments to the five disciplined services Ordinances were introduced under the Disciplined Services Welfare Funds Legislation (Amendment) Bill 1999 and passed by the Legislative Council on 16 July 1999. The Bill received the assent of the Chief Executive on 22 July 1999.

REGULATIONS AND RULES

4. The Regulations and Rules at the Annex repeal and re-enact provisions of the existing subsidiary legislation that relate to the five disciplined services welfare funds in consequence of the enactment of the Disciplined Services Welfare Funds Legislation (Amendment) Ordinance 1999. The Regulations and Rules will -

(a) replace references to the heads of the five disciplined services departments with references to the corporations on those heads being constituted corporations for the purpose of the welfare funds;

(b) replace the current outdated provision relating to the investment of surplus money held in the welfare funds;

(c) provide for the payment of interest on loans made from the welfare funds; and

(d) substitute for the current requirement for tabling the audited statement of accounts prepared for the welfare funds a requirement that the audited statement of accounts must be tabled in the Legislative Council within three months after the date on which the corporation receives it from the Director of Audit, or within such further period as the Chief Executive allows in a particular case.

LEGISLATIVE TIMETABLE

5. The legislative timetable is:-

Publication in the Gazette	15 October 1999
Tabling at the Legislative Council	20 October 1999

HUMAN RIGHTS IMPLICATIONS

6. The Department of Justice advises that the proposed legislation has no human rights implications.

FINANCIAL AND STAFFING IMPLICATIONS

7. The proposals have no financial and staffing implications.

PUBLIC CONSULATION

8. The former Legislative Council Panel on Security was briefed in December 1996 and supported improvements to the welfare funds of the five disciplined services.

PUBLICITY

9. The Rules and Regulations were published in the Gazette on 15 October 1999.
