LC Paper No. LS60/99-00

**Legal Service Division Report on the Import and  
Export (Strategic Commodities) Regulations  
(Amendment of Schedule 1) Order 2000 (L.N. 2)  
Gazetted on 7 January 2000 and Tabled on 12 January 2000**

This Order amends the Dual-Use Goods List of strategic commodities to relax the control threshold on the performance of microprocessors (from 260 to 3,500 million theoretical operations per second) and of computers (from 2,000 to 6,500 million theoretical operations per second).

2. The Order was made under section 6B of the Import and Export Ordinance (Cap. 60), which provides that such orders shall be gazetted and tabled in LegCo in the same manner as subsidiary legislation but that LegCo is empowered only to repeal (but not amend) it if necessary.

3. The Order shall come into operation on a day to be appointed by the Director-General of Trade if LegCo does not by resolution repeal it within 28 days after tabling (which period is extendable by one meeting).

4. LegCo Brief issued by the Trade and Industry Bureau and dated 5 January 2000 is relevant.
